“The Backstory”

BY Greyson Harper

Pssh, Smash, Ouch!!! Oh, I didn't see you there! You may be wondering how a kid became a superhero. Let me take you back to how it all started.

See, I was walking back home from school one rainy Friday and ZAP, all of a sudden I was struck by lightning. "Well, that was something!" But I kept walking.

I went inside my house to play some video games and I lost and I felt angry. Then I noticed my hand light up and I said, "WOAH!"

I ran to my mom to show her and she froze. I said, "It's exciting right?". Mom unfroze and said "That's amazing!"

Then I went back to my room and decided to become a superhero. I made a superhero suit that has a lightening bolt and I went to fight crime.

And that's how I became a superhero.
